Bracken Ridge State High School

Junior Secondary Enrolment Agreement

Strive to Accomplish

Student Name: ______________________________ Form Class: ______________________

Bracken Ridge State High School is committed to providing an extensive range of opportunities and programs for junior secondary students. We strive to ensure that students are given every chance to realise their full potential as creative and intellectual young people.

Our commitment is to provide an environment where all community members feel safe, respected and their contributions valued; where social and academic learning outcomes are maximised for all through quality curriculum, interpersonal relationships and school organisation; where school practices are proactive rather than reactive; and where appropriate and non-discriminatory language and behaviours are defined, modelled and reinforced.

It is imperative that good habits are formed and developed in years 7, 8 and 9 to ensure subsequent success in the senior years of schooling. Junior Secondary students will be best prepared for their chosen senior schooling pathways if they progress at the end of year nine having consistently and diligently focussed on the responsibilities identified below:

Responsibilities of the student:- I, the student, agree to the following:

Commitment
- Have 100% attendance at school (with the exception of valid and approved absences) and abide by the conditions for acceptable absences and behaviour as detailed in the Responsible Behaviour Plan for Students
- Be punctual to all scheduled classes and events; be ready to learn and positively participate in my learning and all school activities

Cooperation
- Ensure I am fully prepared with all the necessary equipment and resources for each lesson
- Work hard, complete all classwork/homework/assessment items (within the required timeframes) and comply with requests or directions from the teachers, school administration and principal
- Comply with all school procedures and policies

Courtesy
- Act at all times with respect and show tolerance towards other students and staff members
- Seek to resolve problems in a non-abusive and non-violent manner

Consideration
- Take pride in my personal appearance and dress to comply with the uniform guidelines. Whilst in uniform conduct myself in a manner that brings credit to my family, school and me
- Respect the school environment
- Work with pride as part of my year group to achieve the very best for both myself and the group

Common Sense
- Achieve to the best of my ability in all subjects studied through my junior secondary years
- Select appropriate elective subjects (when relevant) and engage fully in these subjects as measured by satisfactory effort and achievement results

I understand that in order to support my progress during the Junior Secondary phase of learning, the school will monitor my behaviour, attendance and academic performance. I accept that as part of the school’s behaviour management plan consequences may be applied for failing to commit to these responsibilities and understand that if I do not fulfil my responsibilities as a student at Bracken Ridge State High School I may place my enrolment at risk.
