At Bracken Ridge State High School we aim to maintain, enhance and continue to develop a supportive school environment for all members of the school community. Our commitment is to continue to provide an environment where all members feel safe, respected and their contributions valued; where social and academic learning outcomes are maximised for all, through quality curriculum, interpersonal relationships and school organisation; where school practices are proactive rather than reactive and where appropriate and non-discriminatory language and behaviours are defined, modelled and reinforced.

I make this commitment in good faith and understand that if I choose not to work towards attaining these expectations of all senior students I will place my enrolment at risk. I understand that in order to support my progress during the senior phase of learning, the school will monitor my behaviour, attendance and academic performance. I understand that I may have my enrolment at Bracken Ridge State High School cancelled due to situations of personal non-compliance with the expected actions of a BRSHS senior student.
